HOTLINES

NOTE: THESE TELEPHONE NUMBERS CAN BE USED EITHER TO PROVIDE DIRECT ACCESS TO INFORMATIONAL SOURCES OR TO REPORT HAZARDOUS MATERIALS INCIDENTS.

Bureau of Explosives

202-639-2222
Provides assistance during hazmat incidents.

Cancer Information Services

800-422-6237

CHEMTREC (Chemical Transportation Emergency Center)

800-424-9300

24-hour hotline established by the Chemical Manufacturers Association to aid emergency responders during hazmat transportation accidents.

Emission Control Technology Center

919-541-0800

Provides information for state and local air pollution agencies.

Public Law Update Service

202-523-6641

Provides information on which bills have been signed or vetoed by the President.

Emergency Planning and Community Right-to-Know Hotline

800-535-0202

Provides information on community preparedness, emergency response and SARA Title III

National Capitol Poison Control Center

800-424-9346

Provides information about ingestion of chemicals, drugs and other hazardous substances. (Collect calls accepted)

National Pesticide Telecommunications Network

800-858-7378

Provides information on pesticide products, safety and health concerns, and disposal procedures.

National Response Center, U.S. Coast Guard

800-424-8802 202-426-2675 in Washington, DC
Contact to report hazmat spills.

National Technical Information Service

703-487-4650

U.S. Department of commerce service that provides information on more than 60,000 U.S. and foreign research and development projects. Publications, software, databases and other resources can be ordered through this service.

Northeast Industrial Waste Exchange

315-422-6572

Provides waste exchange information to the Northeast and other areas.

**Office of Hazardous Materials and Transportation,
U.S. Department of Transportation**

202-366-4488

Provides information on hazmat transportation regulations.

**Resource Conservation and Recovery Act/Superfund
Hotline**

202-625-3333

Provides information on hazardous waste, solid waste and hazardous materials laws. Federal Register and other documents may be ordered via this number.

Toxic Substance Control Act Hotline

202-554-1404

Provides information on the laws governing asbestos, PCBs and other hazardous materials.

U.S. Consumer Product Safety Commission

800-638-2772

Provides information on a number of products, including those containing formaldehyde, asbestos, and other hazardous materials.

**U.S. Environmental Protection Agency Headquarters
Library, Hazardous Waste Collection Database**

202-382-5934

A bibliographic database containing an index of government and commercial resources on hazardous waste.

**U.S. Environmental Protection Agency Public Information
Center**

202-475-7751

Provides general information about EPA to the public.

**U.S. Environmental Protection Agency Safe Drinking
Water Hotline**

800-426-4791

Provides information on public water supply programs.

**U.S. Environmental Protection Agency Small Business
and Asbestos Ombudsman**

703-557-1938

Provides information to small-quantity generators of hazardous wastes.

U.S. ENVIRONMENTAL PROTECTION AGENCY

U.S. EPA/Environmental Response Team

2890 Woodbridge Avenue

Building 18, MS 101

Edison, NJ 08837-3679

(908) 321-6740

24 Hour Hotline: (908) 321-6660
